## PREFACE:

The following pages show more than 700 referenced Bible prophecy verses correlating The Day of The Lord that the prophets said is coming upon the world.

By correlating many eschatological verses from the Old Testament with New Testament verses, these pages show God's plan in a visual way. An outline is shown on a single page. Each verse relates to some area on the outline page.

Referenced endtimes prophecy verses from twenty prophets, and endtime teaching by the Messiah, his disciples, and the apostle Paul, are shown.

The seven-year vertical timeline based on the books of Dani'el and Revelation runs downward from top to bottom on all pages together. It shows how the prophesies and teaching consistently match up across the sixteen hundred years.

It may also help reduce confusion between Paul's single *Day of Christ* and the prophets' *Day Of The Lord*. The *Day of Christ* comes first but lasts less than 1 day, followed by the *Day of The Lord* (The Time of Great Distress) lasting 42 months.

This may help readers to clarify views on what is called the rapture and understand why the Good News is good news, and gives hope for both Jewish and Christian people together. It can be useful when comparing world-views, when helping to get rid of the tragic error of replacement theology, and for discussing endtime and millennial viewpoints.

Jewish and Christian believers may be encouraged to see they will one day rejoice together, after they travel by different paths but arrive at the same destination.

The pages all run simultaneously downward together through the seven years. The similarity of events shown across the pages is unmistakable.

I wrote this first by hand in 1984, as I sought how prophecy and end of the age scriptures might match up together in a consistent way. It's not perfect but I hope it encourages people in learning more about the future. I believe that the literal interpretation method best confirms the meaning and truth of Bible scriptures.

In general, columns concerning believers are on the left side of each page and non-believers are mostly shown on the right side. Of necessity, verses have mostly been paraphrased to fit them into the available space on the pages.

They can be printed in A4 or A3 sizes. Printing A4 double sided in duplex mode also works very well. Just staple the sheets together down the left side.

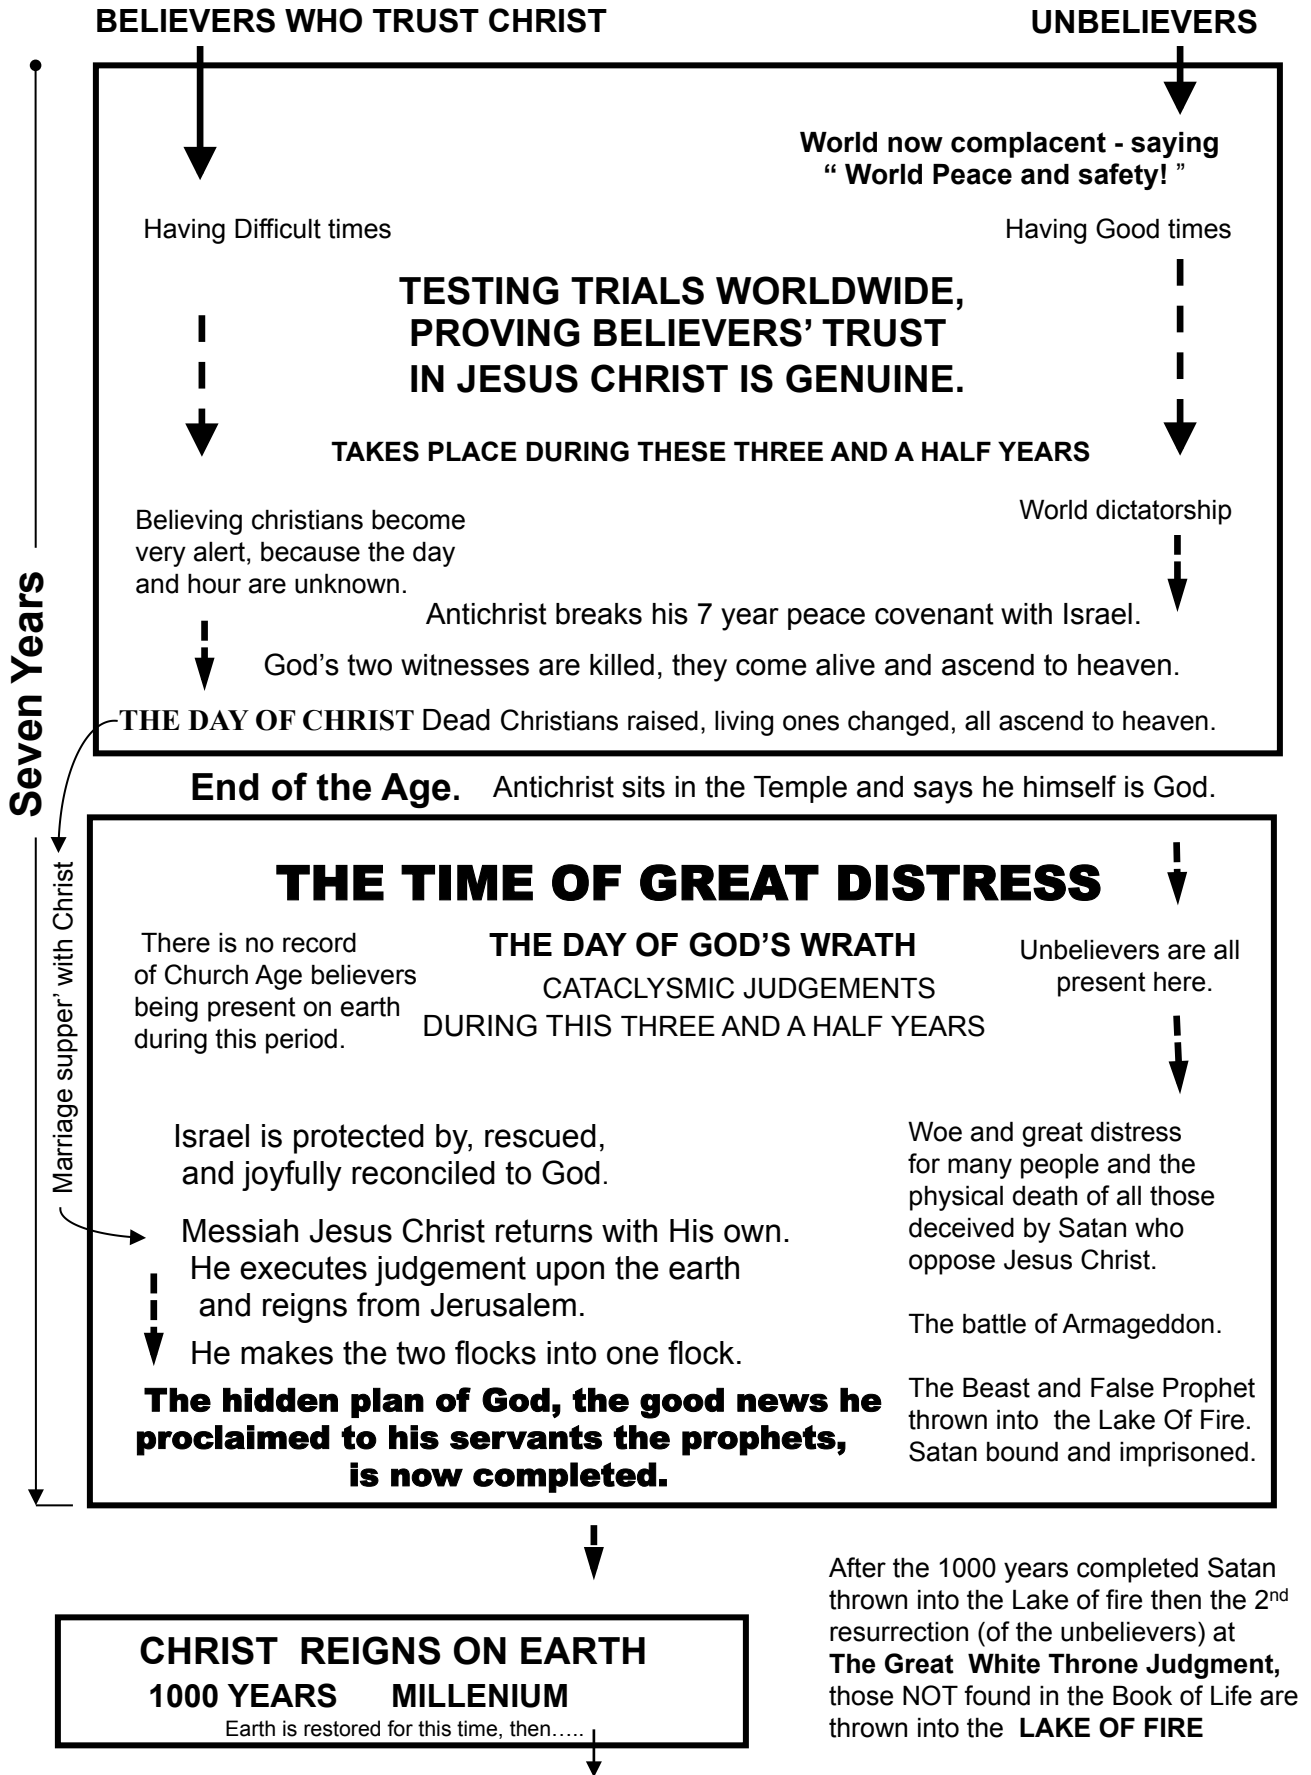

It can also be pasted to make a nice 'scroll' by gluing the pages edge to edge.

Use a line of PVA glue or similar on the left side edge of the final sheet, then fit the right edge of the page number before down onto it. Then repeat. Allow it to dry.

May you be blessed.

Merv Rusk.

**IN REPLY TO A QUESTION THE MESSIAH WARNED HIS FOLLOWERS BEFORE HIS CRUCIFIXION THAT JERUSALEM WILL BE DESTROYED IN THE LIFETIMES OF HIS HEARER'S - AND WHEN TO ESCAPE.**

**“All this will fall ON THIS GENERATION” Matt 23 : 27-36.**

PEOPLE IN THIS GENERATION ALIVE IN 33AD

Jesus weeps over Jerusalem. Days are coming when your enemies will barricade you, encircle you, dash you to the ground, you and your children, leaving not one stone standing, all because you did not recognise your opportunity when God offered it. Luke 19:41-44

“Oh Jerusalem which kills the Prophets, I would have cared for you but you refused. God is abandoning your house to you.” Matt 23:37-38 Luke 13: 34-35

The time is coming when what you see here will be totally destroyed. Luke 21:6.

God is abandoning your house to you, leaving it desolate. Matt 23:38

These buildings will be totally destroyed. Not a single stone will be left standing. Matt 24:2

When you see Jerusalem surrounded by armies then its laying waste is near, therefore flee from Jerusalem's destruction, the fulfilment of what was written in the Tanakh. Jews will be led away captive into all nations, and killed, and Jerusalem will be trodden down by the Gentiles - **until the time of the Gentiles is completed.** Luke 21: 20-24

It came 37 years later upon THESE

**The Jewish/Roman war** began in AD 66 when many Jews rebelled against 103 years of Roman occupation, punitive taxation and brutal repression. Fighting lasted nearly forty-two months from Spring AD 67 to September AD 70. The decisive event was a 4 month siege surrounding Jerusalem from 14th April ending on 8th September. Then destruction of the Temple was followed by a week of sacking and burning of Jerusalem as Roman forces levelled the city to the ground. The last Jewish stronghold at Masada was taken in AD73.

The grisly catastrophic siege conditions were unspeakable, with starvation, thirst, violence and death. According to the historian Josephus, an ex-Jewish military General who switched to the Roman side, about one and a quarter million Jewish people were killed or starved to death during the seige and 93,000 young people were taken and dispersed as slaves.

Most of the followers of Jesus did escape and “not a hair on their heads perished.” see Luke 21:18. Reportedly they left when Jerusalem was first surrounded and went to the city of Pella in northern Trans-Jordan about 70 km north east and 27 km south of the Sea of Gallilee.
